Kids of Note

Consent to Use Photographic Images

2015 - 2016 Program Year

You may use one form for all of your children who are Kids of Note members.

I, _____, on behalf of my family as listed below, agree that from time to time photographs may be taken of members of my family participating in Kids of Note rehearsals and concerts at Grosvenor Park United Church and other venues. These photos may be used in printed material about the choir, or on our web site.

Further, I understand that Kids of Note are sometimes videotaped by television stations for promotional purposes, and that the shows are videotaped for limited distribution among the KON families. I understand that, at this time, Kids of Note does not allow video images to be made available on any internet service, such as YouTube. Under these circumstances I allow my child to be videotaped.
